

Safe Driving - 6 Month Sweepstakes

What is it?

Starting in January 2017, we will be conducting a monthly drawing, giving away \$5,000.00 (per month) to the winning Fleet Partner/Driver.

Who is eligible?

All Owner Operators and Fleet Drivers are eligible as long as safe driving and operating excellence is demonstrated. All you need to do is operate your truck safely and meet DOT inspection standards for each month. To qualify, Fleet Partners must meet the following criteria for each month of the sweepstakes:

- ❖ No preventable accidents
- ❖ No roadside violations (includes both equipment & non-equipment related incidents)
- ❖ No moving violations
- ❖ Each driver must meet the minimum monthly mileage requirement of 7,000 dispatched miles (Team miles will be split 50/50 per driver, so teams will be required to complete 14,000 dispatched miles to qualify)

How does it work?

Each driver that meets the above criteria for the current monthly drawing will be entered into the lottery. One name will be drawn and the lucky winner will win the \$5,000.00 jackpot! We will draw a winner for 6 consecutive months starting in January 2017.

Drawings will take place on the 2nd Wednesday of every month... the first drawing will be on February 8th for the month of January. A list of all eligible drivers will be posted online at www.Drivefaf.com by the 2nd Tuesday of every month. Call (888) 423-2472 ext. 3458 to speak with Ashley Reynolds if you have questions or would like more information.

How do I know if I won?

We will call the winner on the 2nd Wednesday of each month as well as publish the winner's name on www.Drivefaf.com.

How do I get the money?

The winner will receive the \$5,000.00 in their settlement/check on the week following the drawing. This will be on the 3rd Thursday of the month. All winnings will be distributed to the owner of the truck; it will be up to the owner to disperse winnings to their drivers.

Can I win more than once?

Yes... All Fleet Partners and Drivers will be entered into the drawing for each month that the eligibility requirements are met.
